It is good enough

I can't make this any better

This is too hard

I made a mistake

I just can't do this

I will never be that smart

Plan A didn't work

My friend can do it

TRY THINKING...

What am I missing?

I will use a different strategy

Is this really my best work?

I can always improve

This may take some time

Mistakes help me to learn

I am going to train my brain

I will learn how to do this

There is always Plan B

I will learn from them

School Uniform

A school uniform provides a sense of belonging, pride and identity in a school, as well as helps to develop organisational skills.

An element of safety is achieved due to quick and easy identification of St. George International School and Preschool for students, especially when on excursions and activities out of the school.

All elements of the uniform have the distinctive mark of St. George International School and Preschool.

5 Lessons in Life from Dr. Seuss

1 Today you are You, that is truer than true. There is no one alive who is Youer than You.

2 Why fit in when you were born to stand out?

3 You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose.

4 Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind.

5 Today I shall behave, as if this is the day I will be remembered.

*You are braver than you believe,
stronger than you seem,
and smarter than you think.*
