UNIFORM REQUIREMENTS AND GUIDELINES

Makeup, jewellery, hair, watches, etc.

St. George International School and Preschool understands that students may wish to express a degree of individuality. The school do not want to be over restrictive and therefore adopts a 'reactive' position. Students are welcome to express themselves as they wish provided they follow the following basic guidelines. Restrictions may be put in place if deemed necessary in the future.

Girls may wear light makeup if necessary. It should be subtle and not easily noticeable. Hair can be worn either tied up, or loose, except during PE or Science where it should be tied up.

Brightly coloured hair or highlights are not allowed. It is expected that the students maintain their natural hair colour during the school year.

Students' nails have to be short and may have subtle, discrete polish. No extreme colours, length or shape of nails.

Girls may have discrete ear piercings. No facial piercing is allowed. No loose or hanging decoration may be worn.

Nothing should be worn on the neck that could constitute a choking, or strangling hazard.

Watches may be worn but the school takes no responsibility for damage that may occur, they should be removed for PE. Smart Watches are to be handed to the class master in the morning, along with students' phones.

Violation of the policy

Students who come to school with the wrong uniform (depending on the case – official, casual or sports uniform) will receive a negative badge in Shkolo. This should be monitored by the class masters, Key Stage Leaders, Head of Primary, Head of Secondary every morning and PE teachers before the start of the lesson.

1 negative badge – Warning.

2 negative badges – a letter is sent home to the parents, reminding them of the policy.

3 negative badges – the student is provided with the respective school uniform/s (official, casual or sports uniform). In any case (for all students from 1 to 10 grade) the student is provided with the necessary elements of the school uniform and the parents/guardians receive an invoice for payment in the Payment Portal. The invoice should be paid within 7 days of its issue.

For grade 11 and 12 (Year 13-14) students the school reserves the right to decline access to the building, should their appearance be deemed inappropriate. Students will be allowed to resume lessons once their appearance is considered acceptable. In case a student is not allowed to classes for this reason, the consequences set out in the Attendance Policy and other school policies shall apply.

MEDICAL **AND HEALTH SERVICE**

St. George International School and Preschool has qualified nurses on duty throughout the whole school day. All personnel and teachers are trained to provide first aid.

If during the medical examination of students, a child does not feel well and cannot be actively involved in the learning process, parents are contacted immediately. If a student is absent due to illness, parents must notify the school and provide a doctor's note specifying the child's health condition upon the student's return. In case of a contagious disease, parents should inform the school immediately, so that the school staff can notify the other parents.

As a part of the school medical services, St. George International School and Preschool organises several preventative check-ups for students throughout the academic year including:

- bone and spinal deformities
- oral hygiene -hearing checks
- eye testing -heart disease

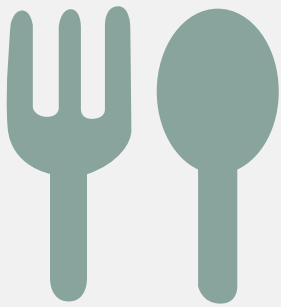

After each preventive check parents will receive written feedback and recommendations.
