The explores

Once upon a time there lived  
~~to~~<sup>two</sup> best friends, their names were  
Vivi and Angie. They loved to  
explore so they went to the  
forest. It came darker and darker.  
They came around some wolves  
and they asked if they can  
ride on them. ~~They~~ started. The  
wolves started running with  
Vivi and Angie on their backs.  
They reached a giant cave. The  
wolves went and the girls entered  
the cave when they entered they  
saw colourful, beautiful crystals  
shining in the cave. When they  
went deeper some bats flew  
and Vivi pulled Angie down  
so the bats don't hit her.  
Angie said thank you for saving  
me. ~~Th~~

Then, they went even deeper  
and they saw lights coming  
from the cave they started  
running and suddenly they fell in  
a big hole. Angie quickly grabbed  
Vivi but she fell with her.  
When they landed on ground  
they saw cute animals playing,  
dancing and having fun. They

started dancing with them, played with them and have fun with them. At the end they said bye and left the hole. They went out of the cave and took some crystals. It was day time they walked out of the forest and showed their best friends the crystals. They were amazed, so they asked where did you find it but Vivi and Angie said it is a secret between them. They went home and asked if they can have a sleepover at Vivi's house the mom's said yes and they had a sleep over. They had lots of fun together.

The end
